

LG&E shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which LG&E fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request.

1. Refer to LG&E's Answer filed July 2, 2012 at page 2. The Answer states that LG&E had an Owner Allocation Agreement on file with Mr. Nichols for all of the properties during the periods in question that authorized LG&E to leave on the electric and gas services in Mr. Nichols' name when the properties became vacant and the tenants ordered services turned off. Provide copies of the Owner Allocation Agreement or Agreements that were entered into by LG&E and Mr. Nichols.
